SHARON ST. JOHN BADMINTON CLUB

President - H.S. Cutten  
Vice-Pres. - Coll MacLean  
Sec.-Treas. - Brenton Hayman  
Floor Manager - Clarence Murray

Badminton is played in Wesley Hall on Monday and Thursday afternoons and evenings. During the past year tournaments with town and outside clubs have resulted in fine social evenings and have also produced in our Club a brand of badminton which is not surpassed in the County.

Throughout its history the Club has been able to make donations to the current account of the Church, and this year has been no exception, sums of money being given at the close of the last season and also before the close of the calendar year.

A very large membership of thirty-three members is an indication that the season 1935 - 1936 will be a very successful one.

Respectfully submitted,

*Brenton Hayman*  
Secretary-treasurer.
