United Church of Canada

New Glasgow, Nova Scotia,

September 8th, 1931.

Dear Friend of Trinity Church:—

The enclosed program will give you a general idea of the arrangements for our **Sixth Church Anniversary** observance. Please hold this copy for use at the Services.

We are all looking forward to a very happy reunion of all the friends of Trinity at the Special services outlined for September 13th and 14th.

Your Committee of Stewards, entrusted with the current financial affairs of the Congregation expect to receive substantial evidence of the loyal, generous and sacrificial interest of all connected with the church through the **Special Anniversary Offering** to be presented on Sunday, September 13th.

Six Thousand Dollars is the amount of our floating obligation, not covered by the loan on the New Church building, and the Stewards would greatly appreciate that this amount be kept in mind as a goal most desirable to reach. They feel that though there are difficulties in the way our people have a "willing mind" and that the response will be adequate and satisfactory.

The total offerings on Sunday, 13th, will be appropriated to this special purpose—whether they are payments on account of pledges previously made or new cash gifts given on that day.

We absolutely depend on the heart interest and loyalty of our Trinity people in the Church and all it stands for in relation to the work of Christ's Kingdom, and therefore count on your maximum cooperation in making our Anniversary occasion memorable in every way.

Faithfully yours,

COMMITTEES OF STEWARDS,

Trinity Church.

A. W. MACDONALD, Chairman.  
FRANK GARRETT, Secretary.
